

SAN JUAN BASIN ARCHAEOLOGICAL SOCIETY

Chapter of Colorado Archaeological Society

FIELD TRIP REPORT

Date: **February 21 - 23, 2012**

Destination: **Moab Petroglyphs**

Leaders: **Bill Cagle**

Number of Participants: **16**

The group of sixteen SJBAS members spent its time driving and hiking to various petroglyph panels in the Moab area. Many sites were accessible from the highway to the Island in the Sky District of Canyonlands National Park, the Potash Road, along the north side of the Colorado River, and the Kane Creek Road, along the south side of the Colorado. The group stayed at the Archway Inn.
